

OEG´s Electrical Training Program Q1 & Q2 / 2019

Ladies and Gentlemen!

Herewith I would like to inform the Electrical Training Schedule from January until June 2019.

Updated information is available on www.okuma.eu/training

The Training Schedule for the 2nd half of 2019 we are going to publish towards the end of April 2019.

Unlike the registration system that we used until July 2018, there will be ***no such website based registration opportunity in the near future!***

For this reason, I would like to ask you to send ***registrations for the Electrical Trainings by Email to ET@okuma.eu*** .

We are already working on establishing a new website based system for trainings. I will inform on any progress reached as soon as possible!

In case you want **OEG to book a hotel** for your training participants, please inform

- number of rooms
- date of arrival
- date of departure

to hotelbooking@okuma.eu

In case you wish to **book hotels yourself**, we can recommend the following hotels as follows:

[Tryp Hotel, Krefeld closest to OEG](#)

[Mercure Hotel Krefelder Hof](#)

[Landgut Ramshof](#)

[Hotel Hubertus Hamacher](#)

Thank you for your understanding

Best regards
