

## OEG's Electrical Trainings still available in 2019

Ladies and Gentlemen!

Herewith I would like to inform the Electrical Training Schedule for the rest of the year 2019.

**Updated information is available on [www.okuma.eu/training](http://www.okuma.eu/training)**

The Training Schedule for 2020 we are going to publish towards the end of October 2019.

Unlike the registration system that we used in the past, there will be ***no such website based registration opportunity for Electrical Trainings in the near future!***

For this reason, I would like to ask you to send ***registrations for the Electrical Trainings by Email to [ET@okuma.eu](mailto:ET@okuma.eu)***.

We are already working on establishing a new website based system for trainings.  
I expect availability of website based registration system for the 2020 Electrical Trainings!

In case you want **OEG to book a hotel** for your training participants, please inform

- number of rooms
- date of arrival
- date of departure

to [hotelbooking@okuma.eu](mailto:hotelbooking@okuma.eu)

In case you wish to **book hotels yourself**, we can recommend the following hotels as follows:

[Tryp Hotel, Krefeld closest to OEG](#)

[Mercure Hotel Krefelder Hof](#)

[Landgut Ramshof](#)

[Hotel Hubertus Hamacher](#)

Thank you for your understanding

Best regards
